

## An awesome number

1 Fibonacci  
1 Fibonacci  
2 Fibonacci sequence  
3 Sequence in nature  
5 Nature of art and life  
8 Life from our DNA to the Milky Way  
13 Way to go, Leonardo of Pisa ! Knowledge is indeed a path for humanity  
13 Humanity is based on Maths, Maths is the basic language of the universe  
8 Universe shaking up our beliefs with its complexity  
5 Complexity, combination of single things  
3 Things divided by  
2 By phi  
1 Phi  
1 Phi

Apolline, Clarisse & Lauren

Why we used that subject :

- Inspired by the last sequence,
- Something simple for learning,
- Site web, presentation seconde.

Figures de styles utilisées :

- Anadiplons : faire la suite (reprendre le dernier terme)
- Chiasmus : insister sur les maths
- Antanaclasis : comme Fibonacci, plusieurs utilisations.

Pourquoi cette forme :

- Suite de Fibonacci en mots,
- Fluide et linéaire (dans autre sens).
- visuel
